Crippled in regret
As it etches through
The words I can't forget
Creep back to me
And this slow torment
Just drags on

I drown in defeat
You were never mine to keep
Never mine to keep

I drown in defeat
But you were never mine to keep
Never mine to keep

I drown in defeat
But you were never mine to keep
Never mine to keep

I drain all that's left
I was blind to you
This ache I can't she'd
This idle plea
As the slow torment
Just drags on

I drown in defeat
You were never mine to keep
Never mine to keep

I drown in defeat
You were never mine to keep
Never mine to keep

I drown in defeat
You were never mine to keep
Never mine to keep

Never mine to keep
Never mine to keep
Never mine to keep

Never mine to keep
