"Raise"

Limited and locked,
In my sunken eyes,
This riff in this story,
Lets me leave the tide,

I get led astray,
My feelings turn to ground,
I get led astray,
And let it all down,

But Iâ€™ll raise, my signs,
In this flood, to live the lie.

Iâ€™m stretched and mocked,
By my narrow mind,
This veil in this mess,
Lets me hide my torn sides.

I get led astray,
My feelings turn to ground,
I get led astray,
And let it all down.

But Iâ€™ll raise, my signs,
In this flood, to live the lie.
Iâ€™ll raise, my signs,
In this flood, to live the lie.

Iâ€™ll raise, my signs,
In this flood, to live the lie.
Iâ€™ll raise, my signs,
In this flood, to live the lie.
Iâ€™ll raise, my signs,
In this flood, to live the lie.
Iâ€™ll raise, Iâ€™ll raise, Iâ€™ll raise, to live the lie.
