You Claim It A Loose Justice,  
And Say There's Nothing Here For Me,  
I Can't Aid Your Frustration,  
Or Bring Life To The Line.  
Cause I Can't Take It Anymore,  
And I Know You Can't Take This,  
I Can't Take It Anymore,  
When There's Too Much To Forgive.

If The Fire's Thieving Time, And There's Nothing  
Here For Me,  
If The Fire's Thieving Time, There'll Be Nothing Left  
At All.

Your Peace Is A Faint Window,  
Beyond Careless You Find The Line,  
I Can't Lift This Burden,  
Or Brace You For This Time.  
Cause I Can't Take It Anymore,  
And I Know You Can't Take This,  
I Can't Take It Anymore,  
When There's Too Much To Forgive.

If The Fire's Thieving Time, And There's Nothing  
Here For Me,  
If The Fire's Thieving Time, There'll Be Nothing Left  
At All.  
If The Fire's Thieving Time, And There's Nothing  
Left For Me,  
If The Fire's Thieving Time, There'll Be Nothing Left  
At All.

If The Fire's Thieving Time, And There's Nothing  
Here For Me,  
If The Fire's Thieving Time, There'll Be Nothing Left  
At All.  
If The Fire's Thieving Time, And There's Nothing  
Here For Me,  
If The Fire's Thieving Time, There'll Be Nothing Left  
At All.

If The Fire's Thieving Time, And There's Nothing  
Left For Me,  
If The Fire's Thieving Time, There'll Be Nothing Left  
At All.  
If The Fire's Thieving Time, And There's Nothing  
Left For Me,  
If The Fire's Thieving Time, There'll Be Nothing Left  
At All.

We'll All Fall Down,  
Cause There's Nothing Here At All,  
We'll All Fall Down,  
We'll All Fall Apart.
