Broken bones, broken hearts
strip down and torn apart.
A little bit of rust I'm still running.
Countin' miles countin' tears
twisted road shiftin gears.
Year after year, its all or nothing.

But I'm not home, I'm not lost
still holdin on to what I got.
Ain't much left, for there's so
much that's been stolen.
I guess lost everything I've had;
but I'm not dead, at least not yet.

Still alone, still alive, still unbroken.
I'm still alone, still alive, I'm still unbroken.

Never captured, never tamed
wild horses on the plains
you can call me lost, I call it freedom.

I feel the spirit in my soul
its something Lord I can't control
I'm never givin up while I'm still breathin'.

But I'm not home, I'm not lost
still holdin on to what I got.
Ain't much left, for there's so
much that's been stolen.
I guess lost everything I've had;
but I'm not dead, at least not yet.

Still alone, still alive, still unbroken.
I'm still alone, still alive, still unbroken.
I'm still unbroken.
Still unbroken.

Like the wind, like the rain
it's all running thru my veins
like a river poring down into the ocean.
I'm out here, on the streets,
but I'm standing on my feet.

Still alive, still alone, still unbroken.
Yeah!

I'm not home, I'm not lost
still holdin on to what I got.
Ain't much left, for there's so
much that's been stolen.
I guess lost everything I've had;
but I'm not dead, at least not yet.

Still alive, still alone, still unbroken.
I'm still alone, still alive, I'm still unbroken.
I'm still alone, still alive, still unbroken.
I'm still unbroken.
I ain't never goin down.
I'm still unbroken.
Oh ohhh...
