How y'all doin there folks?  
My name is Aberdeen Washington  
And I'm a proud American  
And a terrorist fighter  
That's right  
Hey gimme another beer bitch!  
Now when the day Bin Laden comes to town  
Ima drop a duece  
Wipe it up with his towel  
Mow my lawn  
Sit on the couch  
Ima watch some football  
I pray to the lord the Cowboys win  
And beat the hell outta them damn redskins  
Call up the boys  
Get drunk as shit  
God damn right I'm an American  
That's right  
I'm American

Got a picture of Regan above my fire  
Next to the deer I shot with my rifle  
NRA hell yeah I support 'em  
No pro choice  
No abortion  
Mexicans, send em back over the boarder  
Ride on home to Samoa  
Or wherever they come from  
Takin' our jobs  
Eatin our hamburgers  
Takin our jobs  
They takin our jobs  
I see them in the field  
I'm takin their head off  
I hate my job  
And I hate my boss  
But I love my country  
And I pray to god  
That the cowboys win  
Fuck yeah Romo!  
And the Cowboys win

That's right that's right that's right  
C'mon  
Everybody  
Just clap your hands  
If you love our country  
If you love our land  
That's right  
And if you're not clapping your hands  
You're a terrorist  
And you eat sand  
... sandwiches  
The day Bin Laden comes to town  
Imma drop a deuce  
Wipe my poop with his towel  
Mow my lawn  
Sit on the couch  
And Imma watch some football  
And I pray to the lord the Cowboys win  
And beat the hell outta them damn redskins  
Call up the boys  
Get drunk as shit  
God damn right I'm American  
I'm Ameri-fuckin-can  
And John McCain and Sarah Palin  
I know you lost out there  
It was a tough one  
But you're still 2 mavericks in my book  
Don't worry about it  
And listen Palin  
I heard you like beer  
Me too  
I don't have a 6 pack  
But I got a beer bong in my pants  
What do ya say we go get shit faced  
In a helicopter and kill a moose  
America  
The chosen  
Guns  
Explosions  
McDonalds  
Bowling  
You don't like it  
We exploit you  
Pop a pill  
Get a boner!  
Hell yeah  
Tony Romo  
Man that guy is so damn cute  
I wanna sack his boner  
And ride him broke back  
All the way to Wyoming

No homo... sike  
Hey I said no homo  
Fuck terrorists!  
I mean like, I don't wanna fuck terrorists  
Guys I'm kidding!  
I like Romo  
I don't "like" Romo  
I said fuck terrorists  
Not I wanna fuck a terrorist  
You would  
If you woulda caught bin laden  
You wouldn't give him one in the butt?  
For America?  
If you said "no homo" right after you did it?  
It doesn't count if it's terrorists  
Hey little Aberdeen  
Come in here  
Yeah?  
Hey come sing the national family anthem  
Come on  
USA  
USA  
USA  
USA  
USA  
USA  
USA  
USA  
USA  
Hey hey  
USA  
USA  
USA  
USA  
USA  
USA  
USA  
Hey hey  
That's right  
I'm an American citizen  
Aberdeen Washington  
This is my country  
And just because Barrack Obama  
Won the presidential election  
Does not mean that half the country  
Doesn't feel the same way I do  
Man I came to America yeah  
And I live in America c'mon  
And I live in America  
I do too dad  
Lemme get em  
And I live in America  
Dad And I live in America

Shut up  
Little Aberdeen shut the fuck up  
My bad  
Lemme tell em  
That's right  
I'm American
