[Verse 1]

Return of the Mac, get 'em

What it is

What it does

What it is

What it isn't

Looking for a better way to get up out of bed

Instead of getting on the internet and checking out who hit me, get up

Thrift shop, pimp strut walking

Little bit of humble, little bit of cautious

Somewhere between like Rocky and Cosby

Sweater game nope nope y'all can't copy

Yup. Bad, moonwalking

This here, is our party

My posse's been on Broadway

And we did it our way

Throne music

I shed my skin and put my bones into everything I record to it

And yet I'm on

Let that stage light go and shine on down

Got that Bob Barker suit game and plinko in my style

Money, stay on my craft and stick around for those pounds

But, I do that to pass the torch and put on for my town

Trust me. on my I-N-D-E-P-E-N-D-E-N-T shit hustlin'

Chasing dreams since I was 14 with the four track bussing

Halfway cross that city with the backpack

Fat cat, crushin labels out here

Nah they can't tell me nothing

We give that to the people

Spread it across the country

Labels out here

Nah they can't tell me nothing

We give it to the people

Spread it across the country

[Hook- Ray Dalton:]

Here we go back, this is the moment
Tonight is the night, we'll fight till it's over
So we put our hands up like the ceiling can't hold us
Like the ceiling can't hold us
Here we go back, this is the moment
Tonight is the night, we'll fight till it's over
So we put our hands up like the ceiling can't hold us
Like the ceiling can't hold us

[Verse 2]

Now can I kick it? thank you
Yeah I'm so damn grateful
I grew up, really wanted gold fronts
But that's what you get when Wu-Tang raised you
Y'all can't stop me
Go hard like I got an 808 in my heart beat
And I'm eating at the beat like you gave a little speed to a great white shark on shark week
Raw. Time to gone off. I'm gone!
Deuces goodbye. I got a world to see, and my girl she wanna see Rome
Ceasar will make you a believer
Nah I never ever did it for a throne
That validation comes from giving it back to the people.
Nah sing a song and it goes like
Raise those hands, this is our party
We came here to live life like nobody was watching
I got my city right behind me, if I fall, they got me
Learn from that failure gain humility and then we keep marching ourselves

[Hook- Ray Dalton]

[Bridge]

Na na na na na na na na
And all my people say
