Return of the Mack, get up! what it is, what it does,  
what it is, what it isn't  
Looking for a better way to get up out of bed  
Instead of getting on the Internet and checking a new  
hit me  
Get up! fresh out pimp strut walking, little bit of  
humble, little bit of cautious  
Somewhere between like rocky and Cosby  
sweatergang nope nope y'all can't copy  
Yup. Bad, moonwalking, this here, is our party, my  
posse's been on Broadway,  
And we did it, our way.  
Grown music, I she'd my skin and put my bones into  
everything I record to it  
And yet I'm on~  
Let that stage light go and shine on down, got that Bob  
Barker suit game and plinko in my style.  
Money, stay on my craft and stick around for those  
pounds,  
But I do that to pass the torch and put on for my town  
Trust me. On my I-N-D-E-P-E-N-D-E-N-T shit hustler,  
Chasing dreams since I was 14 with the four track  
bussing halfway cross that city with the backpack, fat  
cat, crushing

Labels out here,  
Nah they can't tell me nothing  
We give that to the people,  
Spread it across the country  
Labels out here,  
Nah they can't tell me nothing  
We give it to the people,  
Spread it across the country

Here we go back, this is the moment  
Tonight is the night, we'll fight till it's over  
So we put our hands up like the ceiling can't hold us  
Like the ceiling can't hold us  
Here we go back, this is the moment  
Tonight is the night, we'll fight till it's over  
So we put our hands up like the ceiling can't hold us  
Like the ceiling can't hold us

Nah, can I kick it? thank you. yeah I'm so damn grateful.  
I grew up, really wanted gold fronts  
But that's what you get when Wu tang raised you  
Y'all can't stop me, go hard like I got an 808 in my heart beat  
And I'm eating at the beat like you gave a little speed  
to a great white shark on shark week  
Raw. Tell me go up. Gone!  
Deuces goodbye. I got a world to see, and my girl she wanna see Rome,  
Caesar make you a believer. nah I never ever did it for a throne.  
That validation comes from giving it back to the people.  
nah sing a song and it goes like  
Raise those hands, this is our party  
We came here to live life like nobody was watching  
I got my city right behind me  
If I fall, they got me. Learn from that failure gain humility and then we keep marching ourselves

Here we go back, this is the moment  
Tonight is the night, we'll fight till it's over  
So we put our hands up like the ceiling can't hold us  
Like the ceiling can't hold us  
Here we go back, this is the moment  
Tonight is the night, we'll fight till it's over  
So we put our hands up like the ceiling can't hold us  
Like the ceiling can't hold us

[X4]  
Na na na na na na na  
And all my people say

Ma-ckle-more

Here we go back, this is the moment  
Tonight is the night, we'll fight till it's over  
So we put our hands up like the ceiling can't hold us  
Like the ceiling can't hold us  
Here we go back, this is the moment  
Tonight is the night, we'll fight till it's over  
So we put our hands up like the ceiling can't hold us  
Like the ceiling can't hold us
