Thou take your dreams away
Thou take your dreams away
Thou take your dreams away
Thou take your dreams away

Hold on to life, hold back the door
Hold on to life, hold back the door

Thou take your dreams away
Thou take your dreams away
Thy creeping upon you
Thou take your dreams away
Thy creeping upon you
Thou take your dreams away

Shed faith, shed faith

Don't take the pill
Don't ask for more
Don't take the pill
Don't ask for more

Thou take your dreams away
Thou take your dreams away
Thy creeping upon you
Thou take your dreams away

Thou take your dreams away
Thou take your dreams away
Thy creeping upon you
Thou take your dreams away

Well, who we are close
Cut out the shame
Well, who we are close
Cut out the shame

Thou take your dreams away
Thou take your dreams away
Thy creeping upon you
Thou take your dreams away
Thy creeping upon you

Thou take your dreams away

Shed faith, shed faith
Shake it, shake it
Shake it, shake it

I believe in Bible
And I believe in what God said
They weren't doing what God said
God said take from the rich
And give to the poor

He didn't say take from the poor
And give to the rich
And that's what they were doing
And that's what they were doing

I believe in Bible
And I believe in what God said

Money, money for blood
Money, money for blood
Money, money for blood
Money, money for blood

Don't take that cross away
Don't take that cash away
(I believe in the Bible)
Don't take that cross away
(And I believe in what God said)
Don't take that cash away

Don't take that cross away
(I believe in the Bible)
Don't take that cash away
(And I believe in what God said)

Money, money for blood
Money, money for blood
Money

Don't take that cross away
Don't take that cash away
(I believe in the Bible)
Don't take that cross away
(And I believe in what God said)

Don't take that cash away
(I believe in the Bible)
Don't take that cross away
(And I believe in what God said)

Don't take that cash away
(I believe in the Bible)
(And I believe in what God said)
Money, money, money
