In the battle, in the bed  
In the battle, in the bed

The pair is in heat, the heat  
The pair is in heat, the heat  
The heat of flesh  
The heat of flesh

And the mark  
Of your nails  
And the salt  
On your lips

The mark  
Of your nails  
The salt  
The mark  
On your lips  
Of your nails  
The salt  
On your lips

They came between us  
They came between us

Well this flame is on  
And the bodies flow  
And the bodies twist  
While the light is on

In the battle, in the bed  
In the battle, in the bed

The pair is in heat, the heat  
The pair is in heat, the heat  
The heat of flesh  
The heat of flesh

And your head  
Flies back  
Your head  
Flies back

To the pillow  
To the heat

Your head  
Flies back  
Your head  
Flies back  
To the heat  
To the pillow  
To the pillow  
To the heat  
To ecstasy  
To ecstasy  
Ecstasy, the battleground  
Ecstasy, the battleground

In the battle, in the bed  
In the battle, in the bed

The pair is in heat, the heat  
The pair is in heat, the heat  
The heat of flesh  
The heat of flesh

And the mark  
And the salt  
Of your nails  
On your lips

The mark  
Of your nails  
The salt  
On your lips  
The mark  
Of your nails  
The salt  
On your lips

They came between us  
And the bodies flow  
They came between us

Well this flame is on  
And the bodies twist  
The light is on

And your head  
Flies back  
Your head  
Flies back  
To the pillow, to the heat

To the pillow, to the heat  
To ecstasy  
To ecstasy  
Ecstasy, the battleground  
Ecstasy, the battleground  
Form  
And our foul sounds  
And our foul sounds  
Form  
Battle familiar  
From battle familiar  
We'll do it again

We'll do it again

In the battle, in the bed  
In the battle, in the bed

The pair is in heat, the heat  
The pair is in heat, the heat  
The heat of flesh  
The heat of flesh  
And your nails  
And your lips  
And your flesh  
And the heat

Your nails  
Your flesh  
Your lips  
The heat  
Your nails  
Your lips  
The flesh  
Your heat  
Your nails  
Your lips  
Your flesh

The heat  
In the battle, in the bed

In the battle, in the bed  
Do it again  
We'll do it again  
Again  
Again  
Again  
Again  
Again  
Again

Again  
Again  
Again  
Again  
Again  
Again
