Fast beat the feet  
Fast beat the feet  
Fast fall the hands  
Fast fall the hands

Meld in the music  
The music of drums  
Meld in the music  
The music of drums  
Choose the fast beat

Choose the hard line  
Choose the fast beat  
Choose the hard line

Try to show us one better  
Not sick to the heart  
Not calling with flesh

Suffer little children  
Suffer little children  
Suffer little children  
Written in pain

Boys at one  
Girls at peace  
Boys at one  
Boys at one  
Boys at one  
Girls at peace  
Girls at peace  
Girls at peace

Fast fall the hands  
Fast beat the feet  
Fast beat the feet

Fast fall the hands  
Hold onto rhythm  
The music of drums  
Hold onto rhythm  
The music of drums

The pulse is alive  
Making me sane

Let your body learn  
Let your body build  
Let your body learn  
Let your body build

Suffer little children  
Suffer little children  
The pulse is alive  
Suffer little children

Fast beat the feet

Fast fall the hands  
Boys at one  
Girls at peace  
Boys at one  
Girls at peace  
Boys at one  
Girls at peace  
Boys at one  
Girls at peace

Freedom from fear  
Giving release  
Freedom from fear  
Giving release  
Giving release  
Giving your heart

Fast beating feet  
Fast falling hands  
Fast beating feet  
Fast falling hands

Fast beat the feet  
Fast fall the hands
