Where is the youth

Youth

Youth

Youth

Youth

Youth

Youth

It's time to know

It's time to live

It's time to know

It's time to live

Shout golden shouts

Shout golden shouts

Lift up your hearts

Shout golden shouts

Much better now

We're stronger now

Much better now

We're stronger now

Shout golden shouts

Shout golden shouts

Lift up your hearts

Shout golden shouts

With the pleasure of sin

Now don't be lazy

Don't be lazy

With the pleasure of sin

Shout golden shouts

Shout golden shouts

Lift up your hearts

Lift up your hearts

Where is the youth

Where is the gold

Where is the youth

Where is the gold
Shout golden shouts

Shout golden shouts
Shout golden shouts
Lift up your hearts
Lift up your hearts

Think of the beauty
Think of your pride
Think of the beauty
Think of your pride

Shout golden shouts
Shout golden shouts
Lift up your hearts
Lift up your hearts

Don't back away
Don't back away
Don't back away
Don't back away

It's there, it's there for you
It's there, it's there for you
Don't back away

Don't back away
Shout golden shouts
Shout golden shouts

Shout golden shouts
Shout golden shouts
Shout golden shouts
Shout golden shouts

Lift up your hearts
Lift up your hearts

Hear, hear what we say
Said hear, hear what we say
Let passion spend

Let passion spend
Let your passion spend
Let your passion spend
(youth)
Shout golden shouts
Shout golden shouts
Shout golden shouts
Lift up your hearts

Better now, stronger now
Better now, stronger now

With the pleasure of sin
Now don't be lazy
With the pleasure of sin
Don't be lazy

Shout golden shouts
Shout golden shouts
Lift up your hearts
Lift up your hearts

It's time, it's time to know
It's time, it's time to live

Don't back away
Don't back away
Don't back away
Don't back away

Think of the beauty
Think of the beauty
Think of your pride
Think of your pride

Shout golden shouts
Shout golden shouts
Lift up your hearts
Lift up your hearts

Shout golden shouts
Shout golden shouts
Shout golden shouts
Shout golden shouts

Lift up your hearts
Lift up your hearts
Where is the youth

Where is the gold
Where is the youth
Where is the gold
Now hear, hear what we say

Said hear, hear what we say

Let passion spend
Let your passion spend
Let passion spend

Let your passion spend

Now don't be lazy
With the pleasure of sin
Don't be lazy

With the pleasure of sin
Shout golden shouts
Shout golden shouts
Lift up your hearts
Lift up your hearts

Shout golden shouts
Shout golden shouts
Shout golden shouts
Shout golden shouts
