Now picture the scene  
It's downtown after the show  
I'm looking around  
But there's no one I'd like to know

Then I see her  
Yeah, I think those looks would kill  
Maybe she won't  
But then again maybe she will

I'm trigger happy  
Just thinking that she'd blow me away  
(Trigger happy)  
I'm trigger happy  
But she won't even look my way  
(Trigger happy)

My mind is moving  
As the music is swinging her hips  
My body quivers  
When her tongue caresses her lips

I'm easy prey  
Yeah, I know that I'm looking scared  
She starts to smile  
'Cos it looks like I'm nearly snared

She's trigger happy  
But she knows it could go either way  
(Trigger happy)  
She's trigger happy  
'Cos it looks like we're both gonna stay  
(Trigger happy)

Ah yeah, she's looking at me  
Pointing a gun kind of nervously  
On my back from a fatal attack  
Through the heart and that's just the start

Loaded chamber  
Silver bullets gleaming  
Come and check out the beat

And then you'll be feeling  
Trigger happy  
Trigger happy

Trigger happy  
Trigger happy  
Trigger happy  
Trigger happy

Trigger happy  
Trigger happy  
Trigger happy  
Trigger happy

Trigger happy  
Trigger happy  
Trigger happy
