(High...High... High)
(High...High... High)

I lie to you if I tell the truth
(You will hate me too)
I will tonight if I fool myself
(I can fool you to)

Tonight more than ever,
the nightmares,
the pleasures.
Make no mistake...

It's the drugs we take that keep us from breaking too
Yea we love the taste
Yea it's the drugs we take

(High...High... High)

I've lost control, I've lost my soul
(So the monster grows)

I like the world, so I leave this place
(So I create my own)

Tonight more than ever,
the nightmares,
the pleasures.
Make no mistake...

It's the drugs we take that keep us from breaking too
Yea we love the taste
Yea sad but true

Hold me baby, don't let go
I'm already on my own

(Solo)

I must say upon us, I fought you and you won

It's the drugs we take that keep us from breaking too

Yea we love the taste
Yea sad but true
