In a way its all  
a matter of time  
i will not worry for you  
you will be just fine  
take my thoughts with you  
and when you look behind  
you will surely see a face  
that you recognize, yeah yeah

You're not alone  
i wait 'til the end of time  
open your mind  
and surely its plain to see  
you're not alone  
i wait 'til the end of time for you  
open your mind  
surely its time to be with me, yeah yeah

It is the distance  
that makes life a little hard  
to minds that once were close

now so many miles apart  
i will not falter  
though i hold on 'til your home, yeah yeah  
safely back were you belong  
and see how all others grown

You're not alone  
i wait 'til the end of time  
open your mind  
and surely its plain to see  
you're not alone  
i wait 'til the end of time for you  
open your mind  
surely its time to be with me, yeah yeah

You're not alone  
surely its time to be with me  
open your mind, yeah  
you're not alone  
oh, i wait 'til the end of time for you

open your mind (open your mind)  
you're not alone
