In the dark of the night  
We will feel so right  
Under the street lights  
We will find our disguise

In the dark of the night  
Follow me follow me  
Down the streets so quiet and moon-lit  
Follow me follow me  
We will find our disguise

Follow me follow me  
Down the streets so quiet and moon-lit  
Follow me follow me

Follow me follow me  
Follow me follow me

I know you'll follow me  
To the end of our history  
I know you'll follow me  
To the end of our history
