Well this is a heartfelt melody
But you'd never know it cause you're not listening
And I know I know yes, yes I know it may sound
troubling
It'll never slow up so you'd better stop me

Wake up, stand up
I never could listen, so we sang
Woah oh (wake up, wake up) woah oh (wake up, wake
up)
We had no chance when all I could sing was sad songs
Woah oh (wake up, wake up) woah oh (wake up, wake
up)

These feelings you're writing
Will give you nothing but a little time to think
They're just words and just ink
They're little more than whispers riding on the breeze
But when, but when you're singing
We get more, we get more than a feeling
There is very little left you have to say
So pick up a guitar and take it away

Wake up, stand up
I never could listen, so we sang
Woah oh (wake up, wake up) woah oh (wake up, wake
up)
We had no chance when all I could sing was sad songs
Woah oh (wake up, wake up) woah oh (wake up, wake
up)

So break me into pieces until you see my bones
Cause I've been feeling like this since I was thirteen
years old
And if you see me smiling, I'm lying through my teeth
Cause everything I once knew has now gone

Woah oh, woah oh...

Wake up, stand up
I never could listen, so we sang

Woah oh (wake up, wake up) woah oh (wake up, wake
up)
We had no chance when all I could sing was sad songs
Woah oh (wake up, wake up) woah oh (wake up, wake
up)
