If I was honest
I would admit I had guessed
But that letter in your pocket
Told me the rest
Did you leave it there
For me to find
Hoping you would not have to explain
And face me blind

But I'm not guilty of anything but loving you
And I thought we had something so special too
Ah but it just goes to show you how wrong you can get
Even though I'm dying for your love

[CHORUS]

I'll never beg for your love
I'll never beg
Theres not one man that I've done that for yet
In the all the things we've said and done
You know I'm not the guilty one
Even though I'm dying for your love
I'll never beg

Why was it always me
Who laid her heart on the line
And when I gave so much it came back broke
Every time
You always said to me
Girl you've got to aim high
But you'll never catch those clouds boy
Cos lies cant reach that high

But I'm not guilty of anything but loving you
And I thought we had something so special too
Ah but it just goes to show you how wrong you can get
Even though I'm dying for your love

[CHORUS]

I'll never beg for your love
I'll never beg
Theres not one man that I've done that for yet
In the all the things we've said and done

You know I'm not the guilty one
Even though I'm dying for your love

I'll never beg
Ohh I'll never beg
