The ladies name was susan  
She dressed in fancy clothes  
Wouldnt talk to common men oh why nobody knows  
Then she fell in love with one  
Oh a cowboy from the west  
But he left her alone too long in her fancy nest

Ladies don't cry Susan they hold their heads up high  
Never show their feelings  
Never know the reason why  
Mamma said find someone who on whom you can rely  
Susan, ladies dont cry

Now she sits alone there so proud in her finery  
But every night her heart breaks for that love she threw  
away  
And her cowboy he rides so low with his dreams inside  
his mind  
Every dawn regretting he never took her for his bride

Ladies dont cry Susan they hold their heads up high  
Never show their feelings

Never know the reason why  
Mamma said find someone who on whom you can rely  
Susan, ladies don't cry

The ladies name was Susan  
She dressed in fancy clothes  
Wouldnt talk to common men oh why nobody knows  
Then she fell in love with one  
Oh a cowboy from the west  
But he left her alone too long in her fancy nest

Now you know ladies do Cry Susan all alone in the night  
And your cowboy hes so lonely never holding you so  
tight  
His tears are like the falling rain on you're breaking  
heart

So now you know Susan ladies do cry  
Ladies do cry

Ladies do cry  
Ladies do cry

Ladies do cry
