Made up my mind to decide it.
Made up my mind to be that sure
Struggle and cheating against all
All that I feel will fall.

Made up my mind to decide it.
Made up my mind to be that sure
Struggle and cheating against all
All that I feel will fall.

He finally found a melting souvenir
Reflecting visionary images and tales
Once bound that narrow to our ancient fate
Than thrown away as just a broken chandelier

Made up my mind to decide it.
Made up my mind to be that sure
Struggle and cheating against all
All that I feel will fall.
