The tentacles of the average white
follow the fellow for the fight
The spectacles of the average spy
Serve our fellow' cross the day
Here and there and everywhere

The funeral of the average spy
leads the common crowd astray
The scantiness of his wasted life
deepens impressions like a knife
Here and there and everywhere
Here and there and everywhere
he's in the need of target and seed
Here and there and everywhere
he's in the need of target and seed

A cheering crowd on a marvellous day
strengthens he guy - leads off his way
A gecko's whip not a straycat's tail
Be ready to loose it unless you'd fail
Here and there and everywhere
he's in the need of target and seed
Here and there and everywhere
he's in the need of target and seed

Time alone will tell

if we once 'll meet again
Shouldn't grasp too soon
for the sun or for the moon
Snapshot of your life
and not yet a big thing
Shouldn't generate any more than it's been
Leave my moon as i'll wake up very soon
Leave my moon as i'll wake up very soon

Hurry son - sign !
For you won't get this chance again
See all the precious things to come
For as the ink has dried
you'll have made your grate for shure
Be all you ever wished to be

Sign son - shine on
Right on - right now

Hurry son - sign !
For you won't get this chance again
See all the precious things to come
For as the ink has dried
you'll have made your grate for shure
Be all you ever wished to be
Sign son - shine on
Right on - right now
