One baby to another says -
I'm lucky to have met you
I don't care what you think
Unless it is about me
It is now my duty to completely drain you
I travel through a tube
And end up in your infection

Chew your meat for you
Pass it back and forth
In a passionate kiss
From my mouth to yours
I like you

With eyes so dilated
I've become your pupil
You've taught me everything
about a poison apple
The water is so yellow
I'm a healthy student
Indebted and so grateful
Vacuum out the fluids

Chew your meat for you
Pass it back and forth
In a passionate kiss
From my mouth to yours
I like you
You (x5)

Pass it back and forth

In a passionate kiss
From my mouth to yours
Sloppy lips to lips
You're my vitamins
I like you
