Truth, covered in security
I can't let you smother me
I'd like to but it couldn't work
Trading off and taking turn
I don't regret a thing

CHORUS

And i've got this friend, you see
Who makes me feel
And i wanted more than i could steal
I'll arrest myself, i'll wear a shield
I'll go out of my way to prove that i still
Smell her on you

Don't tell me what i want to hear
Afraid of never knowing fear
Experience anything you need
I'll keep fighting jealousy
Until it's fucking gone
And i've got this friend, you see
Who makes me feel
And i wanted more than i could steal
I'll arrest myself, i'll wear a shield
I'll go out of my way to prove that i still
Smell her on you

Truth, covered in security
I can't let you smother me
I'd like it but it couldn't work
Trading off and taking turns
I don't regret a thing

And i've got this friend, you see
Who makes me feel
And i wanted more than i could steal
I'll arrest myself, i'll wear a shield
I'll go out of my way to make you a deal
We'll make a pact to learn from who
Ever we want without new rules
We will share what's gone and what we grew
They'll go out of their way to prove they still
Smell her on you

That they still smell her on you
Smell her on you
