Chorus:

I know way too many little trolls right now
that i didn't know last year.
Who the fuck are ya'll?
I swear it feels like the last few months
They've been everywhere and back but
I just keep on bannin' them all.
What am i doin'?
What am i doin'?
Oh yeah that's right,
I am a bouse.
I am a bouse.
I am gonna rape Coletrain and this battle's gonna be
over.
It is over,
It is so damn over.

Verse 1:

What the hell were you thinkin' when you challenged
me?
I'm soon to be ranked in the masters league.
You will lose it's the truth yeah that's whats up.
Your mom started the video two girls one cup.
Talk about how your dick is bigger than mine.
Mine's so big stevie wonder can see it and he's blind.
So quit rappin' shut your mouth and know your role.
You watch a lot of crap but you're not in control.
Your cracky voice and your microphone you must be
kidding.
You make me want to punch a baby and start table
flippin'.
Mothershippin' your ass, My name is maxblack.
Couldn't beat me if i was handicapped
and you used mac hacks.
Your APM is like 8, That's always shit.
I guess that's what happens when you were breastfed
'till the age of 6.
Your second diss track was wak, you're feeding the
fire.
You need to get a life before you can give it to aiur.

Chorus:

I know way too many little trolls right now
that i didn't know last year.
Who the fuck are ya'll?

They've been everywhere and back but

Verse 2:

I got the fans behind me everytime I play.
You couldn't kill me with some train and the KKK.
If somehow you got lucky and actually beat me
I would rage quit and accuse you of stream cheating.
You go mass stalkers like every single game.
I'll bend you over with my micro and run a coletrain.
Perfect pylong placement you can't drop on me.
Your girls number is the only thing I hotkey.
You're gonna try and cheese the bouse are you kidding
me?
You haven't even won a battle VS virginity.
I seen a picture of you coletrain, you're kinda cute.
Your mom must have fucked a hydralisk to spawn you.
You wanna know somethin' kinda funny?
It's pretty hard writin' this song 'cos you're a nobody.
Well this was fun while it lasted that's all from me.
Enough wastin' my time that's GG.

Chorus:

I know way too many little trolls right now
