If you ever leave me, baby,
Leave some morphine at my door
Cause it would take a whole lot of medication
To realize what we used to have,
We don't have it anymore.

There's no else that could save me
No matter how long my knees are on the floor
So keep in mind all the sacrifices I'm makin'
Will keep you by my side
Will keep you from walkin' out the door.

Cause there'll be no sunlight
If I lose you, baby
And there'll be no clear skies
If I lose you, baby
And just like the clouds
My eyes will do the same, if you walk away
Everyday, it will rain, rain, rain...

I'll never be your mother's favorite
Your daddy can't even look me in the eye
Ooh, if I was in their shoes, I'd be doing the same thing
Sayin' "There he goes again
Walkin' with that troublesome girl"

But they're just afraid of something they can't
understand
Ooh, but darlin' watch me change their minds
Yeah for you I'll try I'll try I'll try
I'll pick up these broken pieces 'til I'm bleeding
If that'll make you mine

Cause there'll be no sunlight
If I lose you, baby
And there'll be no clear skies
If I lose you, baby
And just like the clouds
My eyes will do the same, if you walk away
Everyday, it will rain, rain, rain...

Don't you say, goodbye,
Don't you say, goodbye
I'll pick up these broken pieces 'til I'm bleeding
If that'll make it right

Cause there'll be no sunlight
If I lose you, baby
And there'll be no clear skies
If I lose you, baby
And just like the clouds
My eyes will do the same, if you walk away
Everyday, it will rain, rain, rain...
