D: Yeah...

M: Ooh...

D: DeStorm... Megan Nicole...

M: Yeahhh...

D: Let's go

To my girls around the world and all across the nation
Chocolate, vanilla or an Asian persuasion
Tattoos, attitude, a little impatient
Hot, and your plot, and you give me motivation
Bump in the club after working, shakin', you're twirking
I think I'm in love with your face and
Engine's runnin' and the bodies' hot
Have you ever been to a body shop
So fresh, never found, can you make the crowd go
'Wow!'

You always smile every time you go out
Oh, wow!

You were standing there the whole while
All up in there

I'm in love with your profile
Your style, make me wanna say "Let's go now."

We can do it in the back in the co aisle
Hotter than the sun and I'm here to have fun

I'm in the bass, turn the keys

Let the engine run run

Girl, lemme tell you who the eff I be

So you ask if I'm single, I say yes I be

No one else DeStorm

I'mma drop the hits now, I've got the whips now

M: Boy you got my heartbeat running away

Beating like a drum and it's comin' your way

Can you hear that

Boom badoom boom boom badoom boom baby, super
bass

Boom badoom boom badoom boom boom baby, super
bass

M: Yo, this one is for the boys in the polos
Entrepreneur figgas in the moguls
He could ball with the crew, he could solo
But I think I like him better when he dolo
And I think I see him better with the pretty cap on
He ain't even gotta try to put the Mac on
He just gotta give me that look
When he gimme that look
Then my heart goes off, off

M: Excuse me, you're a heck of a guy
You know I really got a thing for American guys
I mean, sigh, sickening eyes
I can tell that you're in touch with your feminine side
I mean, yes I did, yes I did
Somebody please tell him who the heck I is
I am Megan Nicole
With charm and good look
Back the coupes up and chuck the deuce up

M: Boy you got my heartbeat running away
Beating like a drum and it's comin' your way
Can you hear that
Boom badoo boom boom badoo boom baby, super
bass
Boom badoo boom boom badoo boom boom baby, super
bass

Mmm, bass
Mmm, bass
Mmm, bass
Mmm, bass
Mmm, bass
Mmm, bass
Mmm, bass
Mmm, bass

D: Bring it back now!

M: Boom badoo boom boom badoo boom boom,
baby, super bass
Boom, badoo boom boom badoo boom, boom,
baby, super bass
