Ooh Woah
Ooh Woah

Ive been roaming around,
always looking down and all i see.
Painted faces fill the places i cant reach.
You know that i could use somebody,
you know that i could use somebody,
someone like you, and all you know and how you
speak.

Countless lovers under cover of the streets,
you know that i could use somebody,
you know that i could use somebody...

Someone like you (ooh woah, ooh woah)
Someone like you (ooh woah, ooh woah)
Off in the night while you live it up,
Im off to sleep.

I hope its gonna make you notice,
I hope its gonna make you notice,
Someone like me (ooh woah,ooh woah)
Someone like me (ooh woah,ooh woah)
Someone like me (ooh woah,ooh woah)
Someone like me (ooh woah, ooah woah)

Ive been roamin' around and all i see...
