I remember when we broke up the first time  
Seeing this is it, I've had enough, 'cause like  
We haven't seen each other in a month  
When you, said you, needed space, what?

Then you come around again and say  
Baby, I miss you and I swear I'm gonna change  
Trust me, remember how that lasted for a day  
I say, I hate you, we break up, you call me, I love you

Ooh we called it off again last night  
But ooh, this time I'm telling you, I'm telling you  
We are never ever ever ever getting back together  
We are never ever ever ever getting back together  
You go talk to your friends talk  
And my friends talk to me  
But we are never ever ever ever getting back together

Like ever

I'm really gonna miss you picking fights  
And me, falling for a screaming that I'm right  
And you, will hide away and find your piece of mine  
With some indie record that's much cooler than mine

Ooh you called me up again tonight  
But ooh, this time I'm telling you, I'm telling you  
We are never ever ever ever getting back together  
We are never ever ever ever getting back together  
You go talk to your friends talk  
And my friends talk to me  
But we are never ever ever ever getting back together

I used to think, that we, were forever ever ever  
And I used to say never say never  
Huh, he calls me up and he's like, I still love you  
And I'm like, I'm just, I mean this is exhausting, you  
know  
We are never getting back together, like ever

We are never ever ever ever getting back together  
We are never ever ever ever getting back together

You go talk to your friends talk  
And my friends talk to me  
But we are never ever ever ever getting back together

We, ooh, ooh, not back together, we  
Oh, getting back together

You go talk to your friends talk  
And my friends talk to me  
But we are never ever ever ever getting back together
