Here's my countdown
get down on the floor.

Get on your feet
with the one that you adore

Come on

1, 2, 3, 4,

on the floor
(tibteni) that you want some more.
Lift your hands up to the sky
and let us fly so high

5, 6, 7, 8,

I feel glad
stamp your feet
it's not too late.

People dancin' all the night
all together side by side.

Jump with me tonight

until the morning light.

J-J-Jump on!

Jump!
Jump!

Yeeeeeeeeeah!

Jump with me tonight.
Jump on!

Jump!
Jump!

Yeeeeeeeeah-ah-ah

1, 2, 3, 4,

on the floor
(tibteni) that you want some more.
Lift your hands up to the sky
and let us fly so high

5, 6, 7, 8,

I feel glad
stamp your feet
it's not too late.

People dancin' all the night
all together side by side.

Jump with me tonight
J-J-Jump on!

Jump with me tonight.

Jump!
Jump!

J-J-Jump on!
