Everybody wants somebody to love
When the lights go off, when the lights go off
I'll show your body how I like to have fun
When the lights go off, when the lights go off

Everybody wants somebody to love
When the lights go off, when the lights go off
I'll show your body how I like to have fun
When the lights go off, when the lights go off

Glitter flying everywhere
See them hands up in the air
Touch my body
I don't care, yeah yeah
Sweat dripping off my thighs
Feel your body
Give me hard
Baby take on a ride, yeah

I wanna feel your naughty tonight
Make me your bad girl don't be nice
So cut off the lights
Cause daddy tonight
I'll do what you like
Tonight, tonight-night-night

Everybody wants somebody to love
When the lights go off, when the lights go off
I'll show your body how I like to have fun
When the lights go off, when the lights go off

Everybody wants somebody to love
When the lights go off, when the lights go off
I'll show your body how I like to have fun
When the lights go off, when the lights go off

We're gonna shake shake shake the world
Shake the world, when the lights go off
We're gonna shake shake shake the world
Shake the world, when the lights go off

This is where you wanna be

Right here in front of me
Grab my waist
Baby please, yeah yeah
I can feel your energy
When we touch ecstasy
Make me beg
Baby please, yeah

I wanna feel your naughty tonight
Make me your bad girl don't be nice
So cut off the lights
Cause daddy tonight
I'll do what you like
Tonight, tonight-night-night

Everybody wants somebody to love
When the lights go off, when the lights go off
I'll show your body how I like to have fun
When the lights go off, when the lights go off

We're gonna shake shake shake the world
Shake the world, when the lights go off
We're gonna shake shake shake the world
Shake the world, the world, the world

Hey! Go! Shake! Shake! Shake!
Hey! Go! Hey! Go! Shake! Shake! Shake!

Everybody wants somebody to love
When the lights go off, when the lights go off
I'll show your body how I like to have fun
When the lights go off, when the lights go off

We're gonna shake shake shake the world
Shake the world, when the lights go off
We're gonna shake shake shake the world
Shake the world, when the lights go off
