Watch out I'm useless without you
Quick cover the King
He's sold out of gold now
Fight for the regicide or bring on the death of us all

Take a break from what we need
Can you help me?
'Cos you're so damn good
(So damn good)
You're so damn good

I'm ruthless, quick cover the king or your soul
Make the bed sheets or fuck her she's dirty, I'm sold
Behold my throne
Watch out oh watch out oh watch out oh watch...

I'm returning behind you I'm loading my gun
It's so sad that I'm this bad
Willing to cheat for the, willing to kill for the throne
Snap shut guillotine comes down
Break a leg son you're a soldier now
(soldier now)
You're a soldier now

I'm ruthless, quick cover the king or your soul

Make the bed sheets or fuck her she's dirty, I'm sold
Behold my throne
Watch out oh watch out oh watch out...

... watch out I'm cold now, oh let me guess was it sun
down when you dissolved

Pressure is somebody laid on the floor
Pressure's now somebody knocks on the door
Pressure is somebody laid on the floor
Pressure's now somebody knocks on the door

I'm Ruthless
(Yes I'm ruthless)
Yes I'm ruthless
So ruthless

I'm ruthless, quick cover the king or your soul
Make the bed sheets or fuck her she's dirty, I'm sold
Behold my throne
Watch out oh watch out oh watch out oh watch out...

I'm ruthless, quick cover the king or your soul
Make the bed sheets or fuck her she's dirty, I'm sold
Behold my throne
Watch out oh watch out oh watch out oh watch out I'm
sold
