they asked ole lazarus, could you explain
how a man can be dead, and then live again,
why, that's just insane.
ole lazarus said boys
i heard a voice.
he spoke right to me,
and death set me free,
when he called my name.

he called my name, and i heard his voice,
he called my name, and i made my choice.
i knew my life would never be the same,
after he called, (after he called)
he called my name.

they asked zacchaeus
can you tell us about jesus,

in a sycamore tree,
he said i climbed up to see,
the lord pass my way.
but the savior called out.
today i'll stay at your house,
so i took him in, he forgave all my sins
and he called me my name.

yeah...
he called my name, and i heard his voice,
he called my name, and i made my choice.
i knew my life would never be the same,
after he called, (after he called)
he called my name.

oh thank god he called
(thank god he called)
he called my name.
