I used to be so all alone
Wondered why I even had a phone
Nobody ever called
Seemed like no one cared at all
So I paid a trip to the House of the Lord
But I got more than I bargained for
I poured my heart out to the Him
With open arms He took me in

Chorus

And I'm not loney anymore
Ever since I met the Lord
He walks with me, He talks with me
He's what I've been looking for
I've never had a friend

Who's been a friend like Him
He's all I needed and more
I'm not lonely anymore

No more living by myself
Even though He really knows me well
He's still in Love with me
He knows how men can be
Now when I wake up from peaceful sleep
He's there to face the world with me
He never ever leaves my side
Since He's moved in I've realized

Chorus (twice)

He's all I needed and more
I'm not lonely anymore
