Broken on the last plank  
Voice of the enemy  
Luring out to sea  
Don't let them take you

Sirens oh sirens  
Don't take them  
Sirens oh sirens  
Hear this plead  
Sirens oh sirens  
Maiden Voyage  
And please, help me

Leaving behind all you've gained  
Stopping by trace marks this leads way  
Battling wrist marks to meet your gaze  
(In the rain, in the rain)

Stepped out on to shivering shame  
Curse the raging remedy  
Living on regret  
Don't let them feel you

Sirens oh sirens  
Don't take them  
Sirens oh sirens  
Hear this plead  
Sirens oh sirens  
Maiden Voyage  
And please, help me

Leaving behind all you've gained  
Stopping by trace marks this leads way  
Battling wrist marks to meet your gaze  
(In the rain, in the rain)

Watching in the mirror to see change  
Climbing over latters in space no haste  
Summoning angel to write your away  
(In the rain, in the rain)

Tied down on the burial grave

Lost in the unguarded plane  
Running out of time  
Don't let them see you

Sirens oh sirens  
Don't take them  
Sirens oh sirens  
Hear this plead  
Sirens oh sirens  
Maiden Voyage  
And please, help me

Leaving behind all you've gained  
Stopping by trace marks this leads way  
Battling wrist marks to meet your gaze  
(In the rain, in the rain)

Watching in the mirror to see change  
Climbing over ladders in space no haste  
Summoning angel to write your away  
(In the rain, in the rain)
