Banishing tree, what has thou bring
Spinning, circling, rotating time
Hanging rope with black birds singing
Demons from my head
Broken glass with red arms, scary
I need a hero

To get them out
(To get these demons out of my head)
To get them out
(To get these demons out of my head)
To get them out
(To get these demons out of my head)

Banishing tree, what has thou bring
Spinning, circling, rotating time
Hanging rope with black birds singing
Scratch the windowpane
Broken glass with red arms, scary
I need a hero

To get them out
(To get these demons out of my head)
To get them out
(To get these demons out of my head)
To get them out
(To get these demons out of my head)

Saints, I summon
Ring the bells
Shine the lights

Saints, I summon
Ring the bells
Shine the lights

Saints, I summon
Ring the bells
Shine the lights

In my head, in my head
In my head, in my head
