I seen you standing there today
Looking the other way
A familiar scent was in the breeze
And it made me go weak at the knees
I thought that, that I'd got over you
I've some way to go
I know that, you hurt me , I hurt you
But how were we to know?

Love don't give you second chance
One shot of farytale romance
I'd have you back at the drop of a hat
Cause now I know
I shouldn't have let you go.

Stupidis as stupid does
Stupidy in love I was
Too naive I couldn't see
What you really mean to me
I thought that , that I'd get over you
It's obvious that I wont

I hoped that, that you'd feel the same way
It's obvious that you don't

Love don't give you a second chance
One shot at farytale romance
I'd have you back at the drop of a hat cause now I know
I shouldn't have let you go.

There was a time when you'd do anything for me
Then walked away , said it just wasn't mean to be
My heart is breaking for the things we will never do
I want you back, I couldn't get over you

Love don't give you a second chance
One shot at farytale romance
I'd have you back at the drop of a hat cause now I know
I shouldn't have let you go.
Love don't give you a second chance
One shot at farytale romance
I'd have you back at the drop of a hat cause now I know

I shouldn't have let you go.
