I have seen the rising of the Son
Thought it should be something more
Visions dancing through an empty room
Legends fall to the floor
I have cried these tears of emptiness
Seen your face inside the sun
Knowledge burn
Seems to much
Weakness bleeds on everyone
Rise phoenix
Spread your wings and rise above the ashes of your sin
Rise phoenix
I have seen the coming of my Lord
Thought it should be something less
Crosses stand on a hill of skulls
First kiss last kiss
Take the reigns everything you are
And hold your candles to the flame
Knowledge burn
Seems to pass
All you touch turns to gold
Rise phoenix
Spread your wings and rise above the ashes of your sin
Rise phoenix
This is no Revelation
This is only one time
Things are always
Things are never what they seem
Do you see
What I see
Rise phoenix
Spread your wings and rise above the ashes of your sin
Rise phoenix
Spread your wings and rise phoenix
Spread your wings rise above
Rise rise rise try for your side
See you rise phoenix
Spread your wings
Rise phoenix
Spread your wings and rise above your sin
Rise rise
