I'll be the hunted, you be the hunter.
You're just an animal, I'm just an animal.

Sophisticated? Give me a break.
This city is a jungle, make no mistake.
My claws come out, come take a bite.
I'll be cryin' at the moon all night.

I'll be the hunted, you be the hunter.
You're just an animal, I'm just an animal.
Red light lover, rollin' thunder.
I'm just an animal, you're just an animal.
A-a-a-animal, a-a-a-animal.
I'm just an animal, you're just an animal.
Red light lover, I'm going under.
I'm just an animal, you're just an animal.

Eyes of fire, the call is wild.
Feel the temperature rise, I can smell your scent from miles.
Mark your territory, you can play the predator now.
I don't need a compass baby, I know which way is south.

I'll be the hunted, you be the hunter.
You're just an animal, I'm just an animal.
Red light lover, rollin' thunder.
I'm just an animal, you're just an animal.
A-a-a-animal, a-a-a-animal.
I'm just an animal, you're just an animal.
Red light lover, I'm going under.
I'm just an animal, you're just an animal.

This ain't no convocation, let's just let our bodies speak.
It's in your nature baby, make you follow instincts.
Come get it, I want it.
I'm trying to follow your scent for miles.
I got lions, tigers, bears, oh my.
Huntin' me down every night.

A-a-a-animal, a-a-a-animal.
A-a-a-animal, a-a-a-animal.

I'll be the hunted, you be the hunter.
You're just an animal, I'm just an animal.
Red light lover, rollin' thunder.
I'm just an animal, you're just an animal.
A-a-a-animal, a-a-a-animal.
I'm just an animal, you're just an animal.
Red light lover, I'm going under.
I'm just an animal, you're just an animal.
