When I close my eyes
I still see that day
It was April 11th 2008
God decided to take my friend
In his hands.

But I will always remember she was as long
Rest in peace my dear friend.

Where are you my beautiful friend
Please send me a sign
Open my eyes
I want see only truth
I want to be reborn
So revive my soul
Pray for us my dear friend

Look what we have become
Look what we have become

Since you're gone nothings the same
Every day I deal with pain
Everything I wanted was for you
To be well where are you

Where are you my beautiful friend
Please send me a sign
Open my eyes
I want see only truth
I want to be reborn
So revive my soul
Pray for us my dear friend

Look what we have become
Look what we have become
