Colour my rainbow in blue
Take me to much better places
Baby come over and take me in your arms
Let me be there and aware of your charmes
Colour my rainbow please do
And I follow you

Why...
Do I get lonesome when you're far away
For just one day
Why...
Please tell me why
I got to know I won't let go

Colour my rainbow in blue...

Some...
Are about to run away when times get rough
I need your love
Stay...
Please stay with me
Until the end my friend

Colour my rainbow in blue
Take me to much better places
Baby come over and take me in your arms
Let me be there and aware of your charmes
Colour my rainbow please do
And I follow you
