LATE AT NIGHT - MAYWOOD

Intro

Between eight and half past seven this place is awful
quiet.

Have to do my shopping, take care of my diet.

I run around in circles, never see a soul.

1. Refrain

Late at night, early in the morning light, you can see,
see them all.

Late at night, early in the morning light, you can feel,
feel them all.

Instrumental|D|A|Em A|D| 2x

Wonder what they're doing this hour of the day?

What will be their temper, what will be their pay?

Is there another meeting about how to change the
world?

2. Refrain

Late at night, early in the morning light, you can see,
see them all.

Late at night, early in the morning light, you can feel,
feel them all.
