### Verse 1

When I close my eyes I fall into a dream  
Can't you see this world, all people live in peace  
The sun is shining in my heart, rainbows in the sky  
Spread your wings and fly fly fly high

### Chorus1

We all are dreamers on our way  
In a world where we're not meant to stay  
Together we can make it all  
The secret is in you  
It's love

### Verse 2

When I smile inside my heart, I feel so free  
All the fears and doubts, they turn into believe  
I feel alright, we'll make it right now, if we trust, trust,  
trust in love

### Chorus 2

We all are dreamers on our way  
In a world where we are not meant to stay  
Together we can make it all  
The secret is love

I'm reaching out my hand to you  
Soldiers let the light shine through  
So we can realize the wonder of life

Trust, love, life, trust, love, life,  
So what more do we need, so what more will it take to  
see life, just open your eyes!

### Chorus 3

We all are dreamers on our way  
In a world where we are not meant to stay  
We won't meant to stay  
Together we can make it all  
The secret is love  
I'm reaching out my hand to you - soldiers! -  
Soldiers let the light shine through  
So we can realize the wonder of life

Trust, love, life  
Spread your wings and fly  
Trust, love, life

Seeâ€¦  
The Secet Is Love!
