She's a pretty girl,
But ...your friends holler around the ...
She's a pretty girl,
She's a pretty girl,
...

Yeah he think I'm pretty cause my jeans are body fitted
Long hair with the tight waist right
Stunting on your girlfriend and her friends are talking
shit
Cause they wish they were me tonight
Take how you want it, I tell you how it is
Your man he think I'm pretty and he wish that I was his
The center of attention, something that your man ...
Natasha Mosley all day, ...that I take

Baby girl, you a pretty girl
I'ma fly you and your friends all around the world
Cause you's a pretty girl,
You's a pretty girl
I'ma give you and your friends a ticket to Gucci world,
Gucci world
Yeah, he think I'm pretty, yeah he think I'm pretty
You wanna show me off, I'm a female but I'm a boss
yeah
Yeah, he think I'm pretty, yeah he think I'm pretty
I'm pretty I am ... keep coming ... yeah
Yeah, he think I'm pretty, yeah he think I'm pretty
Trying to take me to the mall shop ... but I got it all
Yeah, he think I'm pretty, yeah he think I'm pretty
Yeah, he think I'm pretty, yeah he think I'm pretty
Your man he keep on looking you can tell I got him
hooked in my sight
Cause I'm on his mind
Don't have no time for games, no time for lames
Move out my way, I'm so fly, catch me gone, bye bye
Because I'm something like an idol, was I looking fine

Pretty too pretty, I'm higher than ...
...your wifey ... I can't help it cause I want it

Baby girl, you a pretty girl
I'ma fly you and your friends all around the world
Cause you's a pretty girl,
You's a pretty girl
I'ma give you and your friends a ticket to Gucci world,
Gucci world
Yeah, he think I'm pretty, yeah he think I'm pretty
You wanna show me off, I'm a female but I'm a boss
