I cant believe that i fell for your tricks
and i cant believe that you would play me like this
the biggest game that you ever played on my life
because i trusted you with everything that i had
and told you all the things that i've been through in my
past
but i guess it wasnt enough for you to welcome my
tears
because i gave you everything
inside my heart i felt the pain
your loving just aint the same
it aint the same
cause i wont take you back this time
i cant, icant i wont do it
im in love with you but i've been through it
i've been hiding myself for too long
but this time i said NO
cause everytime you win me over
and i cant this time because its over
im not coming back to you
no matter what i do
i said that i wasnt gonna come back to this
