U smiled at me  
I just can't believe u talked to me  
U walked to me  
All u want is to be close to me

Do u wanna  
Do u wanna (U smiled at me)  
Do u wanna  
Do u wanna  
Do u wanna be with me

U smiled at me  
Or no later on u wanted me  
I just can't believe u talked to me  
And u knew my name  
I smiled and I know its not the same

U said to me  
That u always had a crush on me  
All u want is to be close to me  
And u need a kissa  
I fell in love with our first kiss  
I fell in loveâ€¦  
I fell in love with our fist kiss

Do u wanna be with me  
Do u wanna be with me  
Do u wanna be with me  
Do u wanna be with me

I fell in love with our fist kiss  
Do u wanna  
Do u wanna  
Do u wanna  
Do u wanna be with meeeee

Do u wanna be with me  
Do u wanna be with me  
Do u wanna be with me  
Do u wanna be with me (U smiled at me)  
Do u wanna

Do u wanna  
Do u wanna be with me  
U smiled at me  
I fell in love with our first kiss  
I fell in love with our first kiss
