Here lies everything  
The world I wanted at my feet  
My victory's complete  
So hail to the king

(Everything you ever)

Arise and see

So your world's benign  
So you think justice has a voice  
And we all have a choice  
Well now your world is mine

(Everything you ever)

And I am fine . . .

Now the nightmare's real  
Now Dr. Horrible is here  
To make you quake with fear  
To make the whole world kneel

(Everything you ever)

And I wont feel

A thing
