Look at these People  
Amazing how sheeple  
Show up for the slaughter

No one condemning  
You lined up like lemmings  
You lead to the water

Why can't they see what I see Why can't they hear the  
lies  
Maybe the fee's too pricey for them to realize  
Your disguise is slipping, I think you're slipping

Now that your savior's  
as still as the grave you're  
beginning to fear me

Like cavemen fear thunder  
I still havej to wonder  
Can you really hear me

I bring you pain, the kind you can't suffer quietly  
Fire up your brain remind you inside you're rioting  
Society is slipping, everythings slipping away, so

go ahead run away  
say it was horrible

spread the word tell a friend  
tell them the tale

get a pic do a blog  
heroes are over with  
look at him not a word  
hammer meet nail

then I win then I get  
everything I ever  
all the cash all the fame  
and social change

anarchy that I run

it's Dr. Horrible's turn  
you people all have to learn  
this world is going to burn burn (yeah it's two R's, h-o-r-  
r yeah right) burn!

no sigh of penny good  
I would give anything not to have her see

it's gonna be bloody head up billy buddy  
there's no time for mercy

here goes no mercy-  
That's not a good sound
