Visit "[Sorry](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Sometimes when you leave someone, seems like your  
leaving everyone  
Coz everyone seems further away when you leave her  
You feel like you're on nicorette smoking 20 beautiful  
cigarettes a day

Apologizing to your mum and for not letting you be the  
one  
Apologizing to your mum too  
Apologizing to your sister and for not saying I would  
miss ya

To the hand hold and goodbye kisses too ?

Sorry I just dropped your heart  
Sorry now, to pull two good people apart  
Sorry I, I just dropped your heart  
Now two good people will part, two good people will  
part

You'll say I'll forgive you, I'll forgive you  
But I didn't know you had it in you from the start  
Now two good people will part

Sorry I just dropped your heart  
Sorry now, to pull two good people apart  
Sorry I just dropped your heart  
Now two good people will part.

That's a lesson  
Really bites you, you knowww  
Love's a mad Alsatian

Love really gets you by the balls

Sorry I just dropped your heart  
Sorry now to pull two good people apart  
Sorry I just dropped your heart  
And now two good people will part! Two good

Suffering suffering suffering  
And all of our troubling troubling yeah

Woah!!

It's the ground that will be replanted on x 10
