Where do I go from here? Do I tell you I still love you?  
And where do I go from here? Do I tell you I still miss  
you?  
Can't you see, you're a part of me?  
Don't you know, I can't let you go?  
My problems are few when I am with you, what should I  
do?  
I don't know, I don't know.

Where...  
Picture me not loving you, picture you, what you're  
going through.  
My problems....

Where...  
Where do I go, where do I go from here?  
Where do I go, where do I go from here?  
Tell me do I tell you that I love you,  
tell me do I tell you that I need you,  
where do I go from here?  
Tell me... [repeat & fade]
