Verse 1 (O The Architect)

Now I've been known for pulling hoes, some sluts I  
suppose  
But this one hey I had to do for all you round the globe  
Them real fine women in linen and short skirts  
That give play to Joe Dirt  
Cause well hey at least he works  
Now there's so many games we play

With all this B.S. I got to deal with everyday  
It's nice to know I got somebody when it's time to play  
Now let's go get away  
Like sun tan and spray  
I'll be all over your body like tattoos on my chest  
Baby let's take a cruise  
Caribbean's the mood  
We could travel to Jamaica or Miami in June  
It's a summertime affair  
And I want to see you here  
In those two piece and thongs shaking that Derri
