"Cruisin' FDR"

I had drank coffee or blast in my buddy's van
I was driving just about as fast as one can
I was thinking of your touch, your vibe, your grain, your
love
Like Marlo and ___ you tell me apart
I love playing my songs for you
And when the sun comes up there are a million things
we can do

I'm cruisin' down FDR
I'm driving my buddy's car
He's got a real big ___ but in a beautiful way
And you're not too far away

I lost my compassion
Composer ago
I'm really not in love when my eyes are closed
But you're always on my mind
I can't define the feeling
Yeah, I got you ___ the wind's in your hair
Can't look off the road
Seeing you in the passenger seat makes my heart
explode

I'm cruisin' down FDR
I'm driving my buddy's car
He's got a real big ___ but in a beautiful way
And you're not too far away

I'm cruisin' down FDR
I'm driving my buddy's car
He's got a real big ___ but in a beautiful way
And you're not too far away

I can't get enough of your love
Enough of your love
I can't get enough of your love
Enough of your love
Oh I can't, can't, can't, can't, can't get enough of your
love
Oh I can't, can't, can't, can't, can't get enough of your

love
